

Jesus Christ: He declared Himself as the "I AM" (John's gospel)

Colossians 1:15-18 **HE IS**

- Verse 15: *the image (exact replica/icon/stamp) of the invisible God (to know the person of Christ is to know the Father)*
- Verse 17: *before all things (if you know your beginnings you can know your end – because He knows the end He is best in the driver's seat)*
- Verse 18: *the Head of the body (it's not about any one or thing or organisation but Him – no agendas but His)*
- *firstborn of the dead (the first of a new race that in Christ will not die but be with Him)*

Can God?

God can!

Nothing is impossible with Him.

HE IS.
